- **Softwares:** JMP, Minitab, Weibull++/ALTA, Office 365, Tableau, Power BI, MS Project, Primavera P6, Atlassian Jira, Slack
- **Technical Skills:** DfR/SS, Program Management, Probabilistic Risk Assessment, Statistical Modeling, Experimental Design

## INDUSTRY EXPERIENCE

- **LG Innotek Vietnam Haiphong** **08/2023 - Present**  
*Sr. Quality & Reliability Engineer (Camera Module)* Hai Phong, Vietnam
  - Created and operationalized diverse **JSL scripts** for data cleaning and flow analysis, drastically **improving project timelines**; **reduced analysis time by 68%** and increased decision-making efficiency
  - Presented comprehensive weekly ORT & NPI build test results and FA reports to internal teams and key customers, ensuring **90% program performance** and facilitating strategic improvements based on data-driven insights
  - Drove **robust reliability analysis & metrics** for lifetime parameters using JMP & Minitab; improved MTTF/MTBF by **22%** and optimized predictive maintenance schedules, resulting in a **30%** decrease in unexpected downtimes
  - Championed the implementation of JMP in LGVH QA2 Department, conducting **3+ Engineering Statistics** training sessions covering EDA, SPC, EMP/Gage R&R, Classic DOE, ..., **enhancing analytical proficiency** for all REL members by **50%**
- **B.Braun Group** **01/2023 - 08/2023**  
*Quality Management Engineer* Hanoi, Vietnam
  - Conducted **comprehensive risk analysis** using Brainstorming and Delphi techniques; identified **over 10 high-priority risks**, enabling seamless collaboration with overseas colleagues to **execute multiple DIV Change Control** projects **successfully**
  - Executed **14+** detailed process and equipment **risk assessments** utilizing PFMEA and FTA, delivering an **18% boost** in product safety rate and keeping **customer complaint rate under 0.1 PPM** monthly
  - Authored in-depth plans and reports for TK - Molding process to **ensure complete (re)validation** in adherence to GMP, ISO, MDR, and other FDA regulations, maintained a flawless **100% completion rate** for audits and inspections

## EXTRA-CURRICULAR EXPERIENCE

- **Member** | American Statistical Association **01/2024 - Present**
- **Member** | Institute of Industrial and Systems Engineers (OpEx Division) **07/2023 - Present**
- **Volunteer** | Project Management Institute - Vietnam Chapter **07/2023 - Present**
  - **Mentored over 14 mentees** in preparation for **PMP®** and **PMI-ACP®** certification, achieving a **92% success rate** and strengthening the project's overall talent pool
  - Strengthened adherence to PMI Professional Conduct & Code of Ethics by implementing a continuous learning program, **increasing team knowledge** of project management trends and best practices by **45%**

## EDUCATION

- **Dr. Mikel J. Harry Six Sigma Management Institute** **05/2024 - 10/2024 (Expected)**  
*Certified Lean Six Sigma Black Belt (CLSSBB)*
- **Hanoi University of Science and Technology** **10/2019 - 03/2023**  
*Bachelor of Science in Industrial Engineering*

## CERTIFICATIONS

- **Project Management Institute** **07/2023**  
*PMI Risk Management Professional (PMI-RMP®)*
- **Project Management Institute** **06/2023**  
*Project Management Professional (PMP®)*
- **Google** **05/2023**  
*Google Project Management Professional Certificate*
