SUMMARY

- Results-oriented **PMP®** certified professional with 2+ years of experience in managing complex engineering projects
- Adept at leading cross-functional teams, **stakeholders engagement**, and **driving project objectives** within **fast-changing environments**. Proven ability to handle risks, provide timely issue resolution, and achieve program goals
- Skilled in **multi-tasking under critical situations**, with a **strong foundation** in **Quality, Reliability & Statistical Engineering**

SKILLS

- **Language:** Vietnamese (Native), English (Proficient)
- **Programming:** R, SQL, Python, JMP Scripting Language
- **Softwares:** JMP, Minitab, Weibull++/ALTA, Office 365, Tableau, Power BI, MS Project, Primavera P6, Atlassian Jira, Slack
- **Technical Skills:** DfR/SS, Program Management, Probabilistic Risk Assessment, Statistical Modeling, Experimental Design

INDUSTRY EXPERIENCE

- **LG Innotek Vietnam Haiphong** **08/2023 - Present**
Sr. Quality & Reliability Engineer (Camera Module) Hai Phong, Vietnam
 - Created and operationalized diverse **JSL scripts** for data cleaning and flow analysis, drastically **improving project timelines**; **reduced analysis time by 68%** and increased decision-making efficiency
 - Presented comprehensive weekly ORT & NPI build test results and FA reports to internal teams and key customers, ensuring **90% program performance** and facilitating strategic improvements based on data-driven insights
 - Drove **robust reliability analysis & metrics** for lifetime parameters using JMP & Minitab; improved MTTF/MTBF by **22%** and optimized predictive maintenance schedules, resulting in a **30%** decrease in unexpected downtimes
 - Championed the implementation of JMP in LGVH QA2 Department, conducting **3+ Engineering Statistics** training sessions covering EDA, SPC, EMP/Gage R&R, Classic DOE, ..., **enhancing analytical proficiency** for all REL members by **50%**
- **B.Braun Group** **01/2023 - 08/2023**
Quality Management Engineer Hanoi, Vietnam
 - Conducted **comprehensive risk analysis** using Brainstorming and Delphi techniques; identified **over 10 high-priority risks**, enabling seamless collaboration with overseas colleagues to **execute multiple DIV Change Control** projects **successfully**
 - Executed **14+** detailed process and equipment **risk assessments** utilizing PFMEA and FTA, delivering an **18% boost** in product safety rate and keeping **customer complaint rate under 0.1 PPM** monthly
 - Authored in-depth plans and reports for TK - Molding process to **ensure complete (re)validation** in adherence to GMP, ISO, MDR, and other FDA regulations, maintained a flawless **100% completion rate** for audits and inspections

EXTRA-CURRICULAR EXPERIENCE

- **Member** | American Statistical Association **01/2024 - Present**
- **Member** | Institute of Industrial and Systems Engineers (OpEx Division) **07/2023 - Present**
- **Volunteer** | Project Management Institute - Vietnam Chapter **07/2023 - Present**
 - **Mentored over 14 mentees** in preparation for **PMP®** and **PMI-ACP®** certification, achieving a **92% success rate** and strengthening the project's overall talent pool
 - Strengthened adherence to PMI Professional Conduct & Code of Ethics by implementing a continuous learning program, **increasing team knowledge** of project management trends and best practices by **45%**

EDUCATION

- **Dr. Mikel J. Harry Six Sigma Management Institute** **05/2024 - 10/2024 (Expected)**
Certified Lean Six Sigma Black Belt (CLSSBB)
- **Hanoi University of Science and Technology** **10/2019 - 03/2023**
Bachelor of Science in Industrial Engineering

CERTIFICATIONS

- **PMI Risk Management Professional (PMI-RMP®)** | PMI **07/2023**
- **Project Management Professional (PMP®)** | PMI **06/2023**
- **Google Project Management Professional Certificate** | Google **05/2023**
